**HEAT PROGRAM TRIBAL AGREEMENT
FOR NATIVE AMERICANS**

I have applied for utility assistance through the State of Utah Home Energy Assistance Target (HEAT) Program. I certify that I have not been a member of a household receiving utility assistance through a tribal LIHEAP program this program year (October 1-September 30). I further agree that I will not apply or be included on another person's application for utility assistance through a tribal LIHEAP program this program year. I understand that receiving utility benefits from both a tribe and a state in the same program year is a violation of federal regulation, is considered a serious abuse of public funds, and will require repayment to one or both entities.
